“ I remember growing up next to Pat, Ralph and their son. They were our neighbors on Hwy 70. Always very pleasant, kind caring people. I also remember when we helped them move into their house on Hwy 13 because the place they lived in on Hwy 70 was actually an insulated big garage that was used half for kitchen, living room and rest room and the other half as sleeping area. Their son and my birthdays were only 3 days apart and a couple of years. We always tried to make his birthday special because of him having special needs and care. I have a lot of great memories of them all. Deepest of sympathies to their son. She had a heart of gold, very soft spoken and always willing to listen and help in anyway possible. She was also a great friend to my mother Ethel Poetzl
