Yeh patty will be greatly missed by all her friends here in Park Falls, I will miss talking with her on computer as well coming up and changing and hanging her chistmas lights every year long or just sitting and chatting bout different things , or changing the cooler ie the air conditioner,or moving furniture around ware she wanted them moved from, even as far working on her truck, placing her eye lashes above the headlights and installing the Dukes of hazard horn on her truck

Patt was a part of our "gang." We shared many birthdays, games, parties, picnics and vacations together. She was the first to raise a glass to make a toast, the life of the party. We will miss her catching laughter and amusing conversation. RIP, Patt.
