“ *I am so saddened to hear that Paul passed so early in his life. Paul was my high school boyfriend and I always remembered him fondly, and always will. He was such a sweet, thoughtful gentlemen. He was funny, had a great smile and a sparkle in his eyes. I remember in our youth, he wanted to be vet....loving animals. I hope he found happiness in his work and life. He was a couple year older than me, so after I graduated high school, I moved to Florida, but returned after a year and saw Paul once or twice. I'm sorry to have lost track of Paul.....he will forever be my first sweetheat. My condolences to his sisters and family. I am so sorry for your loss.*
