“ *Pauline and I used to go antiquing and rummaging many years ago. We had lots of fun. So sorry to hear about her passing. Wanda Pokela*

“ *Jim, as you know, Pauline was one of my classmates K-12 from the Lincoln HS class of '53. Many fond memories of all those years. Two such memories immediately popped into my mind. Way back in about 1940, our kindergarten year, she was my first "love". My dad hauled me out to her house so I could leave a May Day basket on her doorstep! Years later while at parties in our high school days I can still hear Pauline singing "In the pines, in the pines, where the sun never shines!" I last saw her at one of our recent class reunions. We were both much older but her smile was as radiant as ever.*

*My sincere condolences, Jim, to you and all your family.*

“ We knew Pauline as a very warm and welcoming person. These traits she also instilled in her family. We will miss her smile and laughter very much.
