“ I did not get to know Peggy until a couple of years ago . I answered my phone and she introduced herself as my mother Ramona Bloodsworth Brown's cousin. I must have talked to her for an hour. She was a wealth of information about my family and a joy to talk to. I always looked forward to her calls. She was upbeat and sweet . I felt that I had gained another Mother. She ended each call with "I love You". She told me that every year she came back to the Eastern Shore to visit family but Covid made that impossible in the last 2 years. Sadly my last conversation with her was on October 28th 2021 when I had to tell her that my Mom had passed away on October 27th. I was saddened to hear of Peggy's death but I know she had a wonderful group of people waiting for her in heaven. RIP sweet lady.
