“ My great sadness of losing my Dear Uncle Perry is only cushioned by all the many memories of family reunions, Flambeau Ramas, and visting whenever I could get up north. It was comforting seeing him in the last 2 years since Dad left us, but knowing they are all together now gives me a sense of peace too. Coming to Park Falls will have a different feel from now on...rest is peace Uncle Perry, Your loving niece Peggy and Family 💖

My mom was just talking to me about Perry; they went to high school together. Her words were this " Perry was a nice guy, he was just always such a nice guy, even in high school and he never changed". That is quite a compliment coming from a peer. God Bless.
