“ Laurie and Krissy all of our thoughts are with you at this really hard time. When we think of Ray the first thing that pops in our heads is him trying to wear my muffins when going back to Bob and Kathy's after a party at our house and he couldn't find his shoes. We have a lot of great memories to fall back on be it camping salmon fishing or just getting together always had a great time so think of all the great memories they will give you some comfort RIP our dear friend Ray
