“ I remember working with Rick years ago, and he was such a kind soul. There was a joke between us because he would always call me Katherine for years when that isn't my name, I never corrected him, because I thought he was just being formal. It's something to look back on and reminisce. I'd have to do some digging to try and find the work Christmas picture. I give my thoughts and heart to his family and friends. Rest easy, Rick.
