“ Dear Aunt Luana and family, I am so saddened by the death of Uncle Bud. But it is in sorrow that we find strength and our dear Lord will give you that strength. I have so many wonderful memories of Uncle Bud. I loved to hear him laugh and I am so glad that my daughter, Mary and I came to visit in March. He is with all that have gone before us and I am sure there is a Smear game going on and when Grandma deals I am sure she is cutting the cards this time! Love and prayers to all of you. Pat Shanks

“ We could not have asked for better neighbors than Buddy and Luana. Buddy was always there when we needed a helping hand -- and always had an ear to listen. When the Lord calls our loved ones home, he leaves a gift of memories in exchange. Blessings and prayers -- Mark and Connie Henn

“ *Uncle Bud - the youngest and last of the truly wonderful descendants from the Theresa and Leopoldo Bucheger legacy. He was joyful and fun loving and was always included in one of the many antic-filled stories my mother, his sister, (Gertrude) would share with us over the years.*

*Blessings and comfort dear Aunt Luana and to your families.*
