“ *I am so grateful for my friendship with Robby. We spent many mornings together in the Park Falls High School library, sharing stories and plenty of laughs before class. Robby was a kind, genuine, and loyal friend. I am thankful that we stayed in touch over the years and always looked forward to our conversations. We often talked about current events happening around the world, the weather, forest fires, and favorite memories from our school days, as well as updates on friends, family, and former teachers. Those conversations always filled my cup with joy. Robby will be deeply missed. I feel blessed to have shared a lifelong friendship with such a wonderful person. Lori (Dural) Linsmeyer*
