“ I have known Bob since I was 2 years old,. Our families built the 1st 2 homes in the Holler Park area. We moved out of that area when I was sixteen years old, but always stayed in touch. Bob has always treated me with the utmost kindness. I always loved going to Bob & Pats home for the holidays. Always such a great time playing cards, shooting pool and darts.

As we got older and Bob's health started to decline, I would go visit him in Bayview at his home. We would just chat about life and memories.

Bob was also blessed with being Grandpa Bob to my niece and nephew, Alyssa and Austin, with which I am very grateful for. Also, when Bob moved up to Park Falls, as a great blessing to me, he sold his home in Bayview to my husband and I and I am very grateful for that, it felt like we had come full circle in our relationship with the family, as I Always and still do feel part of the family.

Rest in peace, We will miss him dearly

“ I have many fond memories of Uncle Bobby. We loved going to their home as kids. He had such a wonderful sense of humor. He left a mark on this world with his smile and laugh. He will be missed.
