“ Oh Bobby, where to start? We've been friends since birth and when we were young I wanted to be you so girls would like me too! You were always such a star, smart, athletic, good looking and on and on and on! Such a difficult life it turned out to be, but even through the difficulties you remained that star! Talk about making the best of bad situations! Your charm and wicked sense of humor prevailed!

*I can only imagine you laughing and finally dancing again in Heaven!*

*RIP old friend!*
