“ *Bob and I were squad partners in the Detective Bureau. He was quite a character and we had many good times. He was proud of his service, both military and police department. Last time I saw him we shared some stories over a Fireball (or two). RIP partner.*

“ *Bob was always a great mentor when I served with him in the Coast Guard Reserves. He let you know when you screwed up, but in a way that you laughed about your screwup and learned in the same sentence. A great guy. RIP Bob.*
