“ My deepest sympathy to Goat's family. I didn't know him well, but remember seeing him at Sappi. I knew him through Spud and my brother, John. I am always sad when I hear of the loss of someone from Glidden. I was born and raised in Glidden and there are many new residents that I don't know. That makes it all the harder to lose the old timers.

“ Goat was always a friendly person. I will always remember that big smile when you approached him. He will be sadly missed by many. He was a friend and classmate to me. Goat and I could always relate too things, because we were both farm kids and had a lot in common. Rest in peace old friend, until we meet again!

“ I am so sorry for your loss. Although Goat came across as a total "bad a\*\*", he was a big sweetheart with a heart of gold. I loved my bar chats with Goat and will miss seeing him when I'm up north. May he rest in peace. My deepest sympathies to his family.

“ Ron was a cousin and his family lived next door to us when he was born. His parents chose me to be his godmother and I will always remember him as that cute and funny little blond headed boy. May he Rest In Peace and I'm sure his family up above welcomed him home with open arms. Love your cousin, Bethel (Keilhofer) Clevenger

“ Goat was a much loved cousin and friend. He shared with me a significant part of my life many years ago. A support, confidant and a blast to hang with. Of all his crazy behavior he was always a kind and giving soul even when alcohol etc. masked it, that boyish grin would give him away. Rest in peace my friend and cousin. Your persona and the Goat stories will live on forever. With love, Kim (Waarvik) Payne
