“ *Sandy was Ma to me in high school. She let me stay with her my senior year while dealing with my own family stuff! She was funny, compassionate and also you had to follow her rules! The door was locked at at a certain time at night and if you weren't home you didn't get in until 6am the next morning! She was a good cook! And loved having those she loved around her table! But don't sit on the couch lol! RIP Sincerely, Carla*
