“ *To Sharon's entire family:*

So sorry for your loss, but we rejoice with Sharon because she has arrived and is now with all the other believers who are there, and most importantly, with our Lord, who she loved and served.

We have many fond memories of our time as her pastor at Savior Assembly. She was a delight and blessing through her involvement and faithful support! We look forward to being reunited with her and all the other believers who have accepted and served Jesus as Savior and Lord!

We know her prayer and desire was that her entire family will be there also. We encourage all of you to make that happen!

Our blessings, love and prayers to all of you!!
