

Sharon K. Schauer

June 24, 1950 - December 20, 2024

Sharon Kathleen (Weeks) Schauer

Age 74, of Butternut, lost her courageous battle to cancer on Friday, December 20, 2024 at Marshfield Medical Center in Park Falls. Born June 24, 1950, Sharon was raised in Shorewood, WI by her loving parents Kathleen (Kirkey) and Raymond Weeks.

On August 25, 1973, she married Greg Schauer in Glendale. They started their family in West Bend where they had two children, Matthew and Megan before moving to Butternut in 2000.

Sharon enjoyed all things crafting, antiques, gardening, experimenting with fish in her aquariums and of course her Irish Wolfhounds. She was very active with the Trail Midgets ATV Club. In the north woods, Sharon spent her free time searching for antiques and other items of interest with the intent to upcycle and or resell them. There was rarely an auction she didn't know about. Some of the most organized chaos you've ever seen. Most of all she embraced being the world's greatest Nana.

Whether you knew her as Sharon, Nana or "Mom" she radiated warmth and unconditional love to those who needed it most. Everyone who knew her knew the door was open and there was always a seat at the table. She was fierce and feisty and she loved the same way, with her whole heart. She will be the brightest star on the darkest night to continue guiding the ones she loves.

She is survived by her husband Greg, their two children; Matthew (Stacy) Schauer, Megan Schauer, a grandson Elijah Schauer, one sister Laura (Carlton) Lodsdon, and by nieces, nephews, and other relatives and friends. She was preceded in death by her parents Kathleen and Raymond Weeks, Imelda Dorau and Vernon Kohlwey, two brothers David Kohlwey and William Weeks.

In lieu of flowers please consider a donation in Sharon's name to Catkins Animal Rescue.

A celebration of life will be held from 12:00pm – 5:00pm on Saturday June 21, 2025, at Midway Bar in Butternut.

Birch Street Funeral Service is assisting the family.

“ I first met Sharon many, many years ago while dating her son, Matthew. At first, I will admit, she struck some fear in me. I didn't think she cared for me much at first. But as time went on, I saw that her motherly ways were very welcoming. If you were in her home, she cared for you. And when even being far away, she supported you with her loving words. She was a wonderful lady with a warm heart. I am honored to have had the opportunity to know her and be a small part of her life, and I'm thankful for her presence in mine. She will be forever missed by so many. May she live on in the hearts of her family and all the people whose lives she touched. Love and prayers to all her family and friends.

“ *There will never be another Sharon Schauer in this world. She was truly unforgettable. Sharon never feared the tough things or conversations in life, but she was honest and supported you like no other. Even when you had not spoken in a while, she would pick up right where you left off. She was my rock of support and could move mountains. I will miss her advice, her truthfulness and her love. Watch over us with your guiding light Sharon, for you shall be very missed! I will always be thankful for you in my life. I Love you!*

“ *Sharon was always a very loving, kind and caring person. We didn't get to see each other much, but kept in touch. Knowing she's not in pain anymore is the only consolation we have. She loved her children and Elijah so much. Her and Greg were perfect grandparents. She will be missed so much by the people who loved her most including my children, especially Rick. Love to you Sharon.*

“ *What a beautiful tribute. Sharon will always hold a special place in my heart. She loved unconditionally and wore a smile proudly! A gentle soul and a big cheerleader. She will be missed greatly. Rest easy as I know the heavens rejoiced at those pearly gates when you arrived!*

“ Sharon was a wonderful, warm, funny person. We are sisters-in-law. We shared the love of sweets! My husband is Greg's little brother. We were lucky to come to Butternut for the 4th of July and I was able to spend time with her and the family. The rib cook off was fantastic. We had a great time. She will be truly missed. We love you Sharon and will miss you dearly.
