“ I had the honors of working with Stuffy, at the paper mill, he was a great guy. My wife and I also were camping neighbors at the Hodag several years and had great times and memories with Stuffy and Judy. Prayers to the family.

“ About 1988 I was stationed at George AFB in Victorville, CA and found out Stuffy and Judy would be in Las Vegas so I decided to join them, I arrived in time to pick them up at the airport, I paged him through the airport intercom system and he did not meet me so I went to the Flamingo Hotel and met him there, when I told Stuffy and Judy about the intercom page Judy said he had in fact heard the intercom page but responded "how about that there is another Steven Herbst here in LV" I should have paged "Stuffy Herbst" then he would have picked up the curtesy phone.

“ Stuffy was a great super man who really loved camping with his wife and family. Such a hard worker when he was at the paper mill. He will be missed💙💙
