“ Tom always came through drive thru at McDonald's and ordered his "large coffee 2.31 second window", He always said everything himself without waiting for us to give him his total or tell him which window to go to. He was amazing. I will miss his daily visits to McDonald's and miss him telling me I work too much and am always there. R.I.P., Tom.

“ Tom had the best dog! I used to walk thru Tuscobia Park! I didn't know him but he would throw the ball to his dog endlessly! The dog never went by anyone walking or running! He just came back to Tom over and over! I used to see him in church too! A few years later I met him at the restaurant, but I already felt I knew him a little bit! He was a good man! Rest in peace Tom!
