

Victor "Vic" P. Barnett

November 27, 1957 - January 16, 2025

Victor "Vic" P. Barnett,

age 67, of Park Falls, passed away on January 16, 2025, at his home. He was born November 27, 1957, the son of Victor and Commella (Eads) Barnett. His early life and schooling were in Chicago, IL. His family life was filled with love, laughter, and stern discipline. He attended Southern Illinois University and Purdue University NW where he obtained his Bachelor of Science degree in Electrical Engineering and Associate of Applied Science degree in Electrical/Electronic Engineering. He worked as product sales manager for Souriau-Sunbank for almost 17 years. Vic had a love of the outdoors from a young age that was passed onto him by his father. He regularly traveled to northern Wisconsin on hunting and fishing trips with his friends. On one of those trips in 2017 he met the love of his life, Mary Helberg. They moved in together and shared 7 happy years, raising chickens, ducks, and watching wildlife.

He was an avid baseball fan since his youth. He played all through grade school, college, and was a catcher in an adult baseball league. Vic was an outgoing, energetic, charismatic man who made friends everywhere he went. He enjoyed socializing during pool league, visiting with friends and family, and exploring the outdoors. Most of all, he enjoyed spending quiet days at home watching nature with Mary.

He is survived by his fiancé Mary Helberg of Park Falls, sister Sandra (Russ)

Mueller of Chicago, and by many cousins and other relatives and friends. He was preceded in death by his parents.

A memorial service will be held at 12:00pm on Saturday February 1, 2025 at Birch Street Funeral Service Chapel in Park Falls. Deacon Robert Schienebeck will officiate.

A visitation will be held from 10:00am until the hour of the service at the funeral home.

Birch Street Funeral Service is assisting the family.

“As we mourn this loss going forward, I'd like to share with those who knew him best more recently these memories and pictures from the past. Here is “Little Vic,” as we called him, leading (bet that's not surprising!) the obligatory dousing with ice-cold water from Grandpa's old well at the last Eads reunion at the old family home in Kincaid, West Virginia. He's young here but, from what I'm reading here, he didn't change much. We'll always remember how fun he was!

I hope I had some hand in helping Vic love the country life! For me it was an honor and obligation to instigate and participate in all efforts with my “city cousins” to get in trouble with our parents for laying in wait in the creek to catch “minners” in jars, putting Grandma's dog in the small caves under the railroad track and generally wreaking havoc on the mountainside behind Grandma's house when they visited in summer each year. We had so much fun! Sandy and I remember it with loving nostalgia.

This news came hard. He was a good friend at SIU, ran into him at Harper College in Palatine, literally knocked the wind out of me! Gave me a huge warm hug! Always the nicest guy! I adored him! Happy to plant a tree in his memory. Dave, are you the Dave from SIU? I'd love to catch up! 480 250 7718 ❤️

“ Dear Vic, my birthday brother. Too many stories to share, but how we met had him bartending on his one Saturday per week. I told him that I just turned 21 and I'm buying only the first round; he asked for my ID and handed me his license. We had the same birthday of November 27th and it fell on Thanksgiving that past Thursday. We've been friends ever since then. Sharon and I will miss our Margaritas and laughs with you. Take care brother - Vic; Trolley; Turjeo & Freak. Love, Steve & Sharon Bolek

“ I was shocked to hear of Vic's passing. My condolences and prayers go out to his family and friends. I was a colleague and friend of Vic's back to 2007 when we hired him to join the Souriau USA sales team. Great addition to the team. He was one of a kind, enjoyed life, quick to make friends wherever his travels would take him. Shared many laughs and some frustrations that come from the line of work we shared. I had a chance to fish with Vic a few times over the years, we both had a passion for that activity, great memories and stories from those. Sad he was taken too soon. RIP my friend.

“ Victor, larger than life and the life of the party. So many memories and stories of the times we spent together. I really could write a book about all the things we did and situations we got ourselves into over the years. While we did not see each other much the past 10 years or so, the memories and time we shared together seem like yesterday. We had many laughs together. RIP. You will be missed. Peace out!

“ My sincere condolences to Mary and Vic's family. Am shocked and beyond saddened with the news of your passing. A greatly treasured old friend with memories of our time on Lorel, (I still remember the day you moved in), our many dinners and endless pitchers of Margaritas at Cafe Salsa & Mai Tais at Tina's, & who could forget all the BBQ's in our backyards. An unforgettable and a life changing trip with you to Medjugorje in Bosnia & Herzegovina with some really deep spiritual talks and guidance throughout the years, your great laugh, endless smiles and warm, kind heart are all just a few things I'll miss most. Give Kozmo, Kramer and Maw my love! Until we meet again, RIP my dear friend!

“Freeeeeak! I can't believe this is true. We've been friends since grade school. I was so glad to move back to WI 3 years ago & be close to you again. I loved Mary from day 1. You two were so cool! I was looking forward to your retirement so we could hang more. I got the news late last night. Poured a big sipper and replayed so many stories through my mind. Laughing and crying.... Mary, please call me. I txt'd you on Vic's phone.
Peace
