UB (Uncle Bill) was a very quite man, but spoke volumes. My brothers and I went up to help auntie and U.B. move into the Park Falls house. It was a pretty cold weekend -10 degrees or so. We decided to go over to grandma and grandpa's cabin on Price Lake and go stand on the frozen lake and none of us have ever done that before. After we moved them in, uncle Bill bought me my brothers a Chicago Bears shirt and he said here's for helping us move but if you ever tell anybody I bought you a Bears shirt I will deny it. Miss you Uncle Bill.

“ Bill was a man with a wonderful heart. I guess i will always remember Bill's Breakfast Club. There were 4 of us that would sew at the house twice a week. He always made us the most wonderful breakfasts. We laughed, discussed many topics and listened to music. Those were the days. I will miss many things about Bill. May you be at peace.

“ He always used to send over calendars for us. Loved to make Grandpa dip, and loved his dogs. I'll never forget the times at the family cabin or when he used to feed the deer in his backyard. He was a great man and will be truly missed. -Ty
